SCRATCH & SCUFF RESISTANT

Indoor air quality is essential for keeping your family healthy, that is why we are committed to the highest standards for healthy living. Our products are made without added formaldehyde or harmful chemicals, ensuring a safe environment for your home.

Say goodbye to worries about scratches and scuffs with our Ultra Defense Technology. This advanced feature provides unbeatable protection, ensuring your floors stay looking pristine, even in the busiest homes. Enjoy a floor that stands up to life's daily wear.

WATER RESISTANT CORE

Our water-resistant core ensures lasting protection, withstanding spills for up to 36 hours and featuring a low swell rate of just 10-13%. Plus, the sealed, water-repellent edges provide extra defense, keeping your floors safe and dry.
